

Player Expectations

Dead Frog Volleyball is committed to creating a safe athletic environment for our young athletes that harbors a love for the game and models good sportsmanship. We have developed a Code of Conduct that applies to all players.

Dead Frog Player Code of Conduct

- *Be a good sport and encourage and support team members.*
- *Take responsibility for your own behavior and performance.*
- *Treat parents, other players, coaches, referees and fans with respect and courtesy.*
- *Smoking, vaping, underage drinking and use of any illegal substance is strictly prohibited.*
- *Expect to set up and take down equipment at all practices. Care and respect all equipment provided as part of the program.*
- *Expect to attend all practices and tournaments for the entire session. In the event you cannot attend one or the other, club policy requires you to notify the coach as soon as possible.*
- *Playing time is decided by each individual coach and is not guaranteed for any player. Coaches will attempt to put the most competitive team out on the court but also give each individual the opportunity to improve in game situations.*
- *Remain with your team during time spent at the actual tournament location. All players are expected to remain at the tournament until all officiating assignments are completed. We encourage that all Dead Frog participants remain at the tournament until all Dead Frog teams are finished, but this is not required.*
- *You are a representative of Dead Frog. Actions and behaviors in person and via social media, should always reflect positively on the yourself, team and Dead Frog Volleyball.*

Player Signature: _____

Player Name: _____

Please turn the signed form into your coach by 3/20/20.
